**National CPA Health Care Advisors Association (HCAA)
Launches NEW WEBSITE**

(Nashville, TN) August 29, 2014 - National CPA Health Care Advisors Association (HCAA) has launched their new website, www.hcaa.com. The new website optimizes navigation by using specific tabs, an improved Member Directory and Article/Resource Bank. The website has been designed to be utilized by members and their clients within the Healthcare industry.

Lee Ferber, President of HCAA said "As president of the HCAA, I am very proud of our organization and how far we have come. Our new website just reinforces the fact that we are truly one of the pre-eminent healthcare CPA organizations in the country and one that brings real value to our membership."

Through HCAA, members gain access to relationships and educational resources that assist them in staying on the forefront of the health care industry. This website is a tool to assist member connections.

About HCAA

The National CPA Health Care Advisors Association (HCAA) is a nationwide association of CPA firms devoted to serving the health care industry. Its members provide proactive solutions to the accounting needs of physicians and physician groups. For more information, contact the HCAA at info@hcaa.com.
